

## Dear City SC Utah Families,

At City SC Utah, our mission is to provide every child the opportunity to grow through the beautiful game of soccer, regardless of financial circumstances. As a nonprofit 501(c)(3) youth soccer club, we are proud to support families who need financial assistance through our **Financial Aid Program**—but we can't do it without your help. We are reaching out to our club families to ask for your support in strengthening this critical fund. Your contribution—whether personal or through a family-owned business or employer—directly helps local athletes stay on the field, grow in character, and experience the lifelong benefits of team sports.

### Here are a few ways you can help:

- **Make a tax-deductible personal donation** to the Financial Aid Program.
- **Ask your company** if they offer corporate giving, donation matching, or sponsorship opportunities.
- **Share this initiative** with friends or businesses who value youth development, sports, and community impact.

Each season, we receive a growing number of requests for assistance, and your generosity ensures that no committed player is turned away due to financial hardship. Every dollar raised goes directly toward offsetting the costs of registration, uniforms, and training for players in need.

If you'd like to donate or explore sponsorship opportunities, please visit <https://cityscutah.com> or contact us directly at [admin@cityscutah.com](mailto:admin@cityscutah.com).

Together, we can build a stronger, more inclusive soccer community—where all players, regardless of background, can dream, compete, and thrive.

Thank you for being a valued part of the City SC Utah family.

With gratitude,

**City SC Utah Leadership**
