

Taka Match Footage Upload

- Home clubs must upload match footage 24 hours post-match.
- We ask that the video files be named clearly with the Official Home Team Name Official Away Team Name Age Group Date of Match Match ID.
 - Ex. "New York City FC Blau Weiss Gottschee_U19_10.5.24_12345 "
- Record all matches through your preferred camera provider (Veo, Trace, Spiideo, etc.)
- All age groups are required.
- Make sure mls-video@taka.io is added to your club account. This will ensure that all matches recorded are automatically uploaded into the platform.
- For assistance with video uploads through your camera provider, please contact mls-video@taka.io
